

Waltham Forest Council Grants 2003-2009

Why did they halve in 2005-7? Is this where the extra money was found for the William Morris Gallery?

Why does the WF Arts council no longer get a grant - are they funded direct fom Government?

It is clear that if this budget is cut by 40% only the Citizens Advice Bureau would survive!!

The really interesting question is how will they continue to fund the William Morris Gallery and the Vestry House Museum? The WMG funding has to be maintained to stand any chance of getting the lottery grant to refurbish it and the extra £90k that they found 3 years ago has come to an end and a new sum has to be agreed!!!
